On August 11, 1997, Atmos Energy Corporation ("Atmos"), through its division, Western Kentucky Gas Company, applied to the Commission for authority to create and issue up to 1,500,000 shares of common stock pursuant to its Direct Stock Purchase Plan.

KRS 278.300(2) provides that the Commission shall have 60 days after filing to consider applications for authority to issue or assume securities or evidences of indebtedness unless it is necessary for good cause to continue the application. Additional information is needed in the record of this case and it will be necessary to extend the time for ruling on the financing application beyond the 60-day limit in order to obtain and review the information. Therefore, the Commission finds that good cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

IT IS THEREFORE ORDERED that Atmos's application for authority to incur additional indebtedness is continued beyond the 60-day period specified in KRS 278.300(2).
